■ With the under-bed folded away, the Trio Guest Bed is a space saving single bed. The under-bed is raised to the exact single bed height to form twin beds.

■ The two beds can also be zipped together to form a king size (150cm wide – approx. 5') or super king size (180cm wide – approx. 6') bed. The under-bed glides easily out on castors from either side. The spring assisted metal legs allows assembly with little effort and is easy to fold away.

■ There is a choice of comfort levels to suit your needs, with mattresses available as either two pocket sprung mattresses, two open coil mattresses or one of each. All combinations zip together easily.

■ The beds are available in a choice of two sizes – either 75cm (2' 6") by 190cm (6' 3") or 90cm (3') by 190cm (6' 3").

The headboard shown is an optional extra and is available in the same fabric as the divan.
