## LATEX PILLOW COLLECTION

---

Providing gentle support, pure latex pillows provide optimal head and neck alignment. Breathable and hypoallergenic, latex is cool and durable, ensuring long-lasting comfort and healthier, more refreshing sleep.

<b>Pure latex</b>	Blended with natural latex tapped from rubber trees.
<b>Support</b>	Naturally resilient and springy, gently contouring to the head and neck to maintain spinal alignment for both side and back sleepers.
<b>Breathable</b>	Perforated with small air holes, latex allows airflow and temperature regulation.
<b>Durable</b>	Long-lasting and resistant to sagging, pure latex often keeps its shape for many years.
<b>Hypoallergenic</b>	Resistant to dust mites, mould, and bacteria.

PROUDLY BRITISH SINCE 1904

**HIGH PROFILE**

Ideal for those who sleep on their sides and back, the High Profile Latex Pillow instantly cradles your head and neck providing superior comfort, support and pressure relief. The pillow is responsive and maintains its shape, maintaining support as you move.
