THE MOST COMFORTABLE BEDS IN THE WORLD

Royal Comfort - Eminence

experience the difference

Each Hypnos bed is individually handmade by master craftsman, customised to personal tastes and needs. Proud holders of a Royal Warrant, Hypnos' unrivalled 'best of British' quality is reinforced by a 10 year guarantee and a reputation for making the most comfortable beds in the world.

The Topper and Mattress

- The sumptuous luxury topper features soft and breathable latex and lambswool to regulate body temperature. It is covered with a wool-infused Belgian Damask and embroidered with the Royal Crest and Hypnos name.
- The matching mattress features latex, lambswool and hand teased wool wrapped around a unique hourglass shaped pocket spring system – each geometrically advanced pocket spring provides seamless progressive support.
- Tailored with 3 rows of genuine hand side-stitching for edge-to-edge support, and hand tufted for longevity.
- Choose a Softer, Medium or Firmer comfort level.

The Divan & Headboard

- The deep divan features a glued and screwed solid timber frame with individual fixed cone springs, hand lashed together with jute webbing, below a horse hair and wool comfort layer.
- Finish the divan with exquisite feet, an elegant divan skirt, a wooden plinth or an upholstered decorative bumper.
- Choose an upholstered headboard to crown the bed.
- Sanderson fabrics – divans and headboards are upholstered in a range of colours to match any interior, creating a stunning bedroom centrepiece.

Note: The Eminence is shown with the Elizabeth headboard. The deep divan base and headboard are upholstered in Sanderson Romany Indigo.
