The Topper and Mattress

- The sumptuous luxury topper features soft and breathable rubberised hair and lambswool to regulate body temperature. It is covered with a wool-infused Belgian Damask and embroidered with the Royal Crest and Hypnos name.
- The matching mattress features hand teased hair and lambswool wrapped around a unique hourglass shaped pocket spring system – each geometrically advanced pocket spring provides seamless progressive support.
- Tailored with 3 rows of genuine hand side-stitching for edge-to-edge support, and hand tufted for longevity.
- Choose a Softer, Medium or Firmer comfort level.

The Divan & Headboard

- The deep divan features a glued and screwed solid timber frame with a row of pocket springs, below a horse hair and wool comfort layer.
- Finish the divan with exquisite feet, an elegant divan skirt, a wooden plinth or an upholstered decorative bumper.
- Choose an upholstered headboard to crown the bed.
- Sanderson fabrics – divans and headboards are upholstered in a range of colours to match any interior, creating a stunning bedroom centrepiece.

Note: The Sovereign is shown with the Victoria headboard. The deep divan base and headboard are upholstered in Sanderson Ruskin Linden.
